**FINANCIAL REPORT FOR THE YEAR ENDED**  
**31 DECEMBER 2016**

TELOPEA PARK SCHOOL PARENTS AND CITIZENS ASSOCIATION  
ABN 82 978 010 211

COMMITTEE'S REPORT

The Committee Members submit the financial statements of the Telopea Park School Parents & Citizens (P & C) Association (the association) for the year ended 31 December 2016

**Committee Members**

The names of the Committee Members of the association throughout the year and at the date of these statements are:

<b>President</b>	Colombe Bories
<b>Vice President</b>	David Pullen, Chris Farmer
<b>Secretary</b>	Nancy Waites
<b>Treasurer</b>	Justin Brown
<b>Assistant Treasurer</b>	Phillipe Moncuquet
<b>Public Officer</b>	Sharon Tiede
<b>ACT P&amp;C Council delegate</b>	Lisa Wallace
<b>Communications Officer</b>	Audrey Michiels
<b>Assistant Secretary</b>	Pauline Cullen
<b>BASC Coordinator</b>	Andrea Grazziadelli
<b>Grants Officer</b>	Kristin Milton / Asterie T. Niyonsenga
<b>Lost Property</b>	Clare Bannerman
<b>Returning officer for School Board Elections</b>	Anita Gardner
<b>Fete Coordinator</b>	Lisa Lockey
<b>Raffle Coordinator</b>	Peter Roberts / Ginny Toller

**Principal Activities**

The principal activities of Telopea Park School Parents & Citizens Association during the financial year were to:

- Child care services; and
- Fund raising to support school programmes

**Significant Changes**

No significant changes in the nature of these activities occurred during the year.

**Operating Result**

The loss for the period amounted to \$7,133 (2015 surplus: \$32,433).

Signed in accordance with a resolution of the members of the Committee.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements were authorised for issue on 2 June 2017 by the members of the committee.

**Basis of Preparation**

Telopea Park School P&C Association applies Australian Accounting Standards – Reduced Disclosure Requirements as set out in AASB 1053: *Application of Tiers of Australian Accounting Standards* and AASB 2010–2: *Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements* and other applicable Australian Accounting Standards – Reduced Disclosure Requirements.

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the Associations Incorporation Act 1991 (ACT). The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

**Accounting policies**

a. **Income tax**

No provision for income tax has been raised as the association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

b. **Inventories**

Inventories held for sale are measured at the lower of cost and net realisable value. Costs are assigned on the basis of weighted average costs.

Inventories held for distribution are measured at the lower of cost and current replacement cost.

Inventories acquired at no cost or for nominal consideration are measured at cost adjusted, when applicable, for any loss of service potential.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

c. **Fair Value of Assets and Liabilities**

The association measures some of its assets at fair value on a recurring basis.

Fair value is the price the association would receive to sell an asset or would have to pay to transfer a liability in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use, or to sell it to another market participant that would use the asset in its highest and best use.

d. **Plant and Equipment**

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

The cost of fixed assets constructed within the association includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss during the financial period in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

e. **Impairment of Assets**

At the end of each reporting period, the Association assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (eg in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the Association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

f. **Depreciation**

The depreciable amount of all fixed assets, is depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

<b>Class of Fixed Asset</b>	<b>Depreciation Rate</b>
Plant and Equipment	20%
Office equipment	20-33%
Children's equipment	20%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are recognised in profit or loss in the period in which they occur. When re-valued assets are sold, amounts included in the revaluation relating to that asset are transferred to retained surplus.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

g. **Leases**

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recognising an asset and a liability at the lower of the amount equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the association will obtain ownership of the asset or ownership over the term of the lease.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

h. **Employee Benefits**

**Short-term employee benefits**

Provision is made for the association's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages and salaries. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

**Other long-term employee benefits**

Provision is made for employees' annual leave entitlements not expected to be paid within 12 months after the end of the annual reporting period in which the employee render the related service. Other long-term employee benefits are measured as the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting periods on government bonds that have maturity dates that approximate the terms of the obligations. Any re-measurement of obligations for other long-term employee benefits for changes in assumptions are recognised in profit or loss in the periods in which the changes occur.

The association's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the association doesn't not have an unconditional right to defer settlement for at least 12 months after the reporting date, in which case the obligations are presented as current provisions.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

i. **Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

j. **Trade and Other Receivables**

Trade and other receivables include amounts due from members as well as amounts receivable from customers for goods sold or services provided in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1(e) for further discussion on the determination of impairment losses.

k. **Revenue and Other Income**

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

l. **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

m. **Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

n. **Trade and Other Payables**

Trade and other payables represent the liabilities outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

o. **Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

p. **Key Estimates**

(i) *Impairment – general*

The association assesses impairment at the end of each reporting period by evaluation of conditions and events specific to the association that may be indicative of impairment triggers.

(ii) *Employee benefits*

For the purpose of measurement, AASB 119: *Employee Benefits* (September 2011) defines obligations for short-term employee benefits as obligations expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related services. As the association expects that all of its employees would use all of their annual leave entitlements earned during a reporting period before 12 months after the end of the reporting period, the association believes that obligations for annual leave entitlements satisfy the definition of short-term employee benefits and, therefore, can be measured at the (undiscounted) amounts expected to be paid to employees when the obligations are settled.

Trade payables	15	9,901	8,201

**NOTE 9: PROVISIONS**

CURRENT

Employee Benefits		9,397	9,397
-------------------	--	-------	-------

**Provision for Employee Benefits**

The provision for employee benefits represents amounts accrued for annual leave and long service leave. The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the require period of service. Based on past experience, the Association does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the Association does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement. The measurement and recognition criteria for employee benefits have been discussed in Note 1(h).

**NOTE 10: RESERVES**

**Grants to Telopea Park School Reserve**

Funds raised during the financial year by Telopea Park School P&C Association are reserved for the purpose of providing grants to Telopea Park School in the following financial year.

**NOTE 11: CAPITAL AND LEASING COMMITMENTS**

	2016 \$	2015 \$
Operating Lease Commitments		
Non-cancellable operating leases contracted for but not capitalised in the financial statements		
Payable – minimum lease payments:		
– not later than 12 months	16,995	16,500
– between 12 months and five years	-	16,500
	16,995	33,000
Total operating lease commitments	16,995	33,000

The property lease commitment is a non-cancellable operating lease with a three-year term, with rent payable monthly in advance. The lease expires on 31 December 2017.

Contingent rental provisions within the lease agreement require that the minimum lease payments shall be increased by the lower of the change in the consumer price index or 4% per annum.

**NOTE 12: CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

The committee is not aware of any contingent liabilities or contingent assets.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016**

**NOTE 13: EVENTS AFTER THE REPORTING PERIOD**

No material events occurred after the reporting period.

**NOTE 14: RELATED PARTY TRANSACTIONS**

Committee Members of the Association receive no remuneration; however, are reimbursed for ordinary business expenses incurred in relation to the Association.

**NOTE 15: FINANCIAL RISK MANAGEMENT**

The association's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable, and leases.

The carrying amounts for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

Teloopa Park School P & C Association  
 New South Wales Crescent, Barton  
 Barton ACT 2600

## STATEMENT BY MEMBERS OF THE COMMITTEE

In the opinion of the committee, the financial report as set out on pages 2 to 15:

1. Presents a true and fair view of the financial position of the Telopea Park School P & C Association as at 31 December 2016 and its performance for the year ended on that date in accordance with Australian Accounting Standards – mandatory profession reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.
2. At the date of this statement, there are reasonable grounds to believe that Telopea Park School P & C Association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

  
\_\_\_\_\_  
PRESIDENT

  
\_\_\_\_\_  
TREASURER

Dated the 8 day of June 2017

## INDEPENDENT AUDITOR'S REPORT TO THE COMMITTEE MEMBERS OF TELOPEA PARK SCHOOL PARENTS & CITIZENS ASSOCIATION

### **Report on the Financial Report**

We have audited the accompanying financial report of Telopea Park School Parents & Citizens Association (the association), which comprises the statement of financial position as at 31 December 2016, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position of the association.

### **Committee Responsibility for the Financial Report**

The Committee Members of the association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporation Act 1991 (ACT)* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## INDEPENDENT AUDITOR'S REPORT TO THE COMMITTEE MEMBERS OF TELOPEA PARK SCHOOL PARENTS & CITIZENS ASSOCIATION INCORPORATED

### Opinion

In our opinion the financial report of Telopea Park School Parents & Citizens Association is in accordance with the *Associations Incorporation Act 1991 (ACT)*, including:

- (i) giving a true and fair view of the association's financial position as 31 December 2016 and of its performance for the year ended on that date and the other matters required by Section 72 (2) of the *Associations Incorporation Act 1991 (ACT)*;
- (ii) we have obtained all the information and explanations required;
- (iii) complying with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporation Act 1991 (ACT)*; and
- (iv) proper accounting records and other records have been kept by Telopea Park School Parents & Citizens Association as required by the *Associations Incorporations Act 1991 (ACT)*.
