Good evening David

Thanks for sending through your apologies; travel safe and I hope your meetings are successful.

There's no need for a written report from either you or Kerrie, unless you would like to share one. Given the board meets this week, perhaps consider sharing the appropriate elements of your board report with the P&C community for interest?

Finally, I have attached the funding form as requested. Please let me know if you have any questions/if it is not intuitive.

Kind regards,

Dear Trish ,
Dear Clair,

Thank you for your kind invitation.

First of all I would like to give my apologies; I shall not be able to attend the AGM; I will come back late in the evening from Sydney where I shall be all day to meet the French lycee board, teacher representatives and representatives from UNSW and University of Sydney about the French bac.

Do you expect a written report from Kerrie and I?

Do you have any information to share with us about the French breakfast that the P&C is used to organizing during Francophonie week and more specifically on Francophonie day, Friday March 20 this year?

Finally I would like to ask the P&C for financial support for a workshop project on the creation of a virtual newspaper that we wish to carry out at the beginning of March with a French freelance journalist for all of our EFS Y9 students on sustainability and the impact of climatic changes. A form had been produced by P&C. Could you send it to me for me to complete it and submit it to the P&C?

Thank you for your answer.

Kind regards,
David
